As a skilled front-end developer, I excel in crafting UIs that seamlessly adapt across browsers, devices, and screen sizes, ensuring optimal user experiences. My expertise in HTML, CSS, and JavaScript, combined with a keen eye for design, results in visually appealing interfaces that engage and delight users. Continuously honing my skills ensures I stay ahead in an ever-evolving field of web development.

Skills

- **Programming languages:** JavaScript (ES6+), HTML5, CSS3
 - **Libraries and Frameworks:** React, Redux, MaterialUI, Bootstrap, Wordpress components, TailwindCSS, scss, RTK Query, Vite, Next, React Hook Form, REST API
